Hello dear friend

My name is Sofia Baye, I am thirteen years old, and I am from Colombia

It is very important for me to tell you how we celebrate Christmas in my house. Before I go on, I want you to have a very merry Christmas and many blessings for you and your family.

Usually in the morning and in the afternoon we do nothing, we don't spend it in the house, but when it gets dark we go to church with the whole family. We gather all the brothers and sisters of the church and share the word of God, we sing praises, we do a normal service, the difference is that we decorate the temple, making known that our Lord Jesus Christ is with us and loves us very much.

Our Lord God is faithful and no matter what happens he will never abandon us, even if everything seems difficult and our spirit faints he is there to lift us up because his love is great, and he loves us all equally because before him we are all equal. Remember to enjoy this Christmas to the fullest, either with your family, friends or acquaintances. From here I send you a big hug.

I have already commanded you: Be strong and courageous!

Do not be afraid or discouraged! For the Lord your God will be with you wherever you go  
(Joshua 1:9)

## Colombian letter

Hello

I greet you from Colombia with great charity and love in Christ, sharing our way of celebrating Christmas in my country. In Colombia we each do it

differently at night, we prepare a big dinner of rice with chicken, fried potatoes, panelada juice, to share with the family and tell each other jokes, crazy things of life, laugh and enjoy the moment, also with unknown people. Talking about Christ and giving advice to each other, we go to bed at 1:00 am but some stay up until dawn.

This is my way of celebrating Christmas  
(with love for those who read it)

Hello

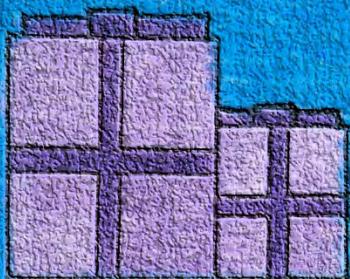

I hope you are very well, I wish you the best,  
may you have health like rays of sunshine and  
blessings like raindrops, a big hug from Colombia,  
thank you for everything, for your prayers and  
for being attentive to us, stay firm with God  
fighting the good fight as Paul of Tarsus did.

I hope you have a very happy time with all your  
family on this special day December 24, I am very  
happy and I also pray for you as a brother  
in Christ, go ahead, our Father is coming soon for  
his children, God bless you and give you strength to  
continue firm in the faith.
