

Together, let's pray for Christians in India to remain unshaken in their faith.

Persecution in India is brutal. Christians face violent attacks and everyday discrimination. But your prayers make an enormous difference.

More information on how your church is praying:

“When everything looked dark, your presence and prayers uplifted my family and me.” – Mehr*, India

*Name changed for security reason

Open Doors partners are strengthening the church in India by providing Bibles, emergency aid, persecution survival training, livelihood training and community development projects. Find out more about supporting your church family at opendoorsuk.org/india

Registered Charity in England and Wales No. 1125684, Scotland SC043710 and Republic of Ireland 20140984.

**Please could you display this poster
in your church to promote prayer for
India's Christians this summer?**

Just add what your church is planning
– whether a prayer group, prayers in
a service, an email or whatever best
works for your congregation. Whether
you're organising something big or
simply asking your church to remember
India's Christians in their prayers, it
means so much to them to know they
aren't abandoned.

You can find prayer points and
other information to help you at
opendoorsuk.org/unshaken

Thank you.
